Dear Mr. Dulles,

I am very glad to hear that you will remain as the head of the Central Intelligence Agency in the new administration, for you have done a wonderful job. Keep up the good work always, and continued success.

I have enclosed eight (8) covers honoring your late brother, the honorable John Foster Dulles. Mr. Dulles was one of the best Secretaries of State that this country has ever had, as well as being one of the finest Americans. He will be remembered as long as there is a free country in this world. Even in Communist countries he will be spoken of as the enemy of communism, truly a great honor. Could you please autograph these covers for some friends and myself. We would appreciate this very much, and have enclosed a stamped, self-addressed envelope for your convenience. Thank you very much.

Sincerely yours,
